

Prairieland United Way COVID-19 Response Fund

Supporting local nonprofit organizations serving our community's most vulnerable neighbors

Our local nonprofit organizations are experiencing a surge in demand for services from neighbors and communities significantly impacted by the coronavirus outbreak.

It's critical that these organizations have the resources they need to continue to operate at the highest capacity. Your donation will support the agencies that are ensuring our neighbors can access basic needs in this time of crisis.

About the Prairieland United Way COVID-19 Response Fund

The Prairieland United Way launched its COVID-19 Response Fund to disburse funds raised to nonprofit organizations across the community.

As we are individually taking steps to protect our own families, workplaces and neighborhoods from the effects of the virus, let's not forget the impact this will have on our neighbors. Missing paychecks, the inability to pay rent, and a lack of access to food and essential supplies are realities that many in our community will have to face in the coming weeks. Please join us in supporting our neighbors across Prairieland.
